Letter from Aaron M Caylor Jr (Titusville, Florida) to Robert Stoy,
20 Sep 2005; R Stoy Genealogy Binders - Caylor (Aliso Viejo,
California). Material on Joseph Caylor (1857-1926) family.

Dear Mr. Stoy.

I sure do appreciate your letter, and it did interest me right from the start. I guess you must be a cousin of mine, that's great. "Robert," my father was always after me to ^{go to} Logan County or somewhere near Richmond Va. if I remember right, he told me I had a lot of kin in Virginia. I was stationed in Washington D.C. for a couple of yrs. + that is when my dad was after me to look around for some Caylois. But I was young in the Navy so I only had my mind on one thing women.

Although I do remember a Doctor Claud Caylor who was a M.D. doctor in Washington. I tried calling him several times but to no avail.

But I got to tell you something Bob, I am interested in the family tree. I wrote a letter to a place in Ohio that resell family trees. I sent for one + it had Caylois all over the country.

Anyway I am glad you sent me this good information I am really interested in the family tree our kin.

Maybe I can help you some, I don't have any pictures, some how they were lost or misplaced. I asked my brother + he to was looking. My sister had a lot of things leftover from my Mom + Dad.

but they were lost somewhere. I am 80 yrs now so I would certainly like to see some of our pictures again. Be fore I kick the bucket. We had a lot of the pictures you want

I often wondered if any of the Caylors were in the Civil War. When I read about James Caylor of Loudoun being my 2nd great grand father, you must be a 2nd or 3rd cousin of mine. I am finding about all of this when I am going down hill, I have heart trouble, sugar & emphysema. But I am doing pretty good.

Robert when you said my grand father was married 4 times I couldn't believe it. I knew he was married twice because I knew everyone from the 1st & 2nd marriage. Uncle Harry followed in his foot steps he married 3 times 1st Ethel, 2nd Edna 3rd Edith. He had 2 sons Joe Caylor & Bob Caylor. I can't talk to much about him I did not care for him.
